Time: -09:00-04:30 P.M

Department-Computer Application (MCA)& (BCA)

Venue-Seminar Hall Block - 05

No. of Students Attended Programmed -101

Objective:

The National Conference on “Innovations in Computer Applications and Emerging Technologies (ICAET-2026)” aimed to provide a dynamic platform for researchers, academicians, and students to exchange knowledge and present innovative ideas in areas such as Artificial Intelligence, Data Science, Cyber Security, and digital technologies. It sought to promote research, foster academic collaboration, and bridge the gap between theoretical concepts and practical applications. The conference also focused on enhancing students’ analytical, technical, and presentation skills while encouraging participation and innovation. Additionally, it aimed to recognize academic excellence and create awareness about emerging technological trends, thereby strengthening the overall research culture and academic environment of the institution.

Overall Summary:

The National Conference on “Innovations in Computer Applications and Emerging Technologies (ICAET-2026)” was successfully organized at the Buddha Institute of Management, Gorakhpur, marking a significant academic milestone. The conference witnessed participation from a total of 184 students, including 166 in-campus students and 18 out-campus participants, reflecting its wide academic outreach and impact.

Organized by: Department of Computer Application, Buddha Institute of Management, GIDA Gorakhpur.

The event was conducted under the guidance of Dr. A. K. Tripathi, with valuable support from Mr. Chhiteesh Rai, Mr. Sudhir Shukla, and Ms. Shivangi Srivastava, whose coordinated efforts ensured smooth execution. The conference provided a dynamic platform for researchers, academicians, and students to present innovative ideas in areas such as Artificial Intelligence, Data Science, Cyber Security, and digital technologies.

The Best Paper Award was presented to Mr. Suraj Singh (BCA) and Ms. Kriti Gupta (MCA), while the Second-Best Paper Award was conferred upon Ms. Madhu Prajapati (BCA) and Ms. Shraddha Srivastava (MCA). Insightful sessions, engaging discussions, and effective management made the conference a grand success and a memorable academic event.
